## Tuesday 14<sup>th</sup> September Public Meeting

Dear Residents,

Firstly, please accept my apologies for the late notice you received confirming this meeting and thank you to those who did manage to attend yesterday evening.

It was the school's intention to use this initial public meeting to:

1. raise awareness of the areas we are currently consulting on via a presentation.
2. confirm our decision to extend the consultation period to Monday 17<sup>th</sup> October
3. seek agreement to create a permanent local residents committee to assist the school with its consultation processes both now and in the future.
4. listen to initial views on our proposals and receive any initial alternative views or thoughts.

My apologies that it was not possible for me to deliver my presentation outlining our proposals and our intentions above due to the various interruptions and questions that were asked.

Moving forward I can confirm that we intend to create a permanent local residents committee to assist and advise the school on both current and future proposals: this committee will also advise on the next steps the school should take regarding the public footpath.

We would be grateful to receive expressions of interest via [consultations@kevigslincs.sch.uk](mailto:consultations@kevigslincs.sch.uk) from those prepared to join and contribute to this permanent committee.

With kindest regards

James Lascelles  
Headmaster
