HOLISTIC, ACADEMIC, EDUCATION

4<sup>th</sup> April 2022

## History Teacher ECT/MPS

Dear Colleague,

Thank you for considering King Edward VI Grammar School.

We are seeking an enthusiastic and talented teacher of History who is either completing their PGCE or NQT year or a recently qualified teacher looking for a new challenge. The department is very successful and a large number of students opt for GCSE History each year – three sets is the norm. Currently at A Level the department runs History; Government and Politics and Sociology and plan to expand to offer Philosophy or Religious Studies at A Level. There is therefore plenty of scope for candidates who are keen to develop their A Level teaching.

The department runs a significant number of trips and visits to help bring, History and Politics to life. This includes visits to the Battlefields, numerous Castle and Museum Trips, the annual Parliament Trip and a variety of trips to the Politics Department at Hull to attend lectures by notable political figures.

Although selective and academic in our focus the School's ethos is centred on the development of the whole child. We are exceptionally fortunate that our committed staff give of their time generously in numerous different ways to share or pursue a passion with our pupils. We have a flourishing debating society; creative writing groups; music; drama and sport are all strong. We are also unusual for a state school in having a large and active CCF who also help to run our Duke of Edinburgh programme. The desire to share a passion or simply get involved in the extra-curricular life of the school will be crucial.

Applications should be made via the TES portal or by completing the school's application form, which can be found on the school website ( <https://www.kevigs.org/vacancies> ) and should also include a covering letter and CV. The deadline for applications is Thursday 21<sup>st</sup> April interviews will be held in the following week: although the school reserves the right to move this forward if an appropriate field occurs earlier.

With Kind regards

James Lascelles
