Unifrog – The Universal Destinations Platform

As a school we use Unifrog – the universal destinations platform designed to support learners in making the most informed decisions about their futures. Unifrog is suitable for all ages groups from Year 7 – Year 13.

Each student has their own account from year 7 where they can explore careers and next steps options available to them. They can complete quizzes and tests, write CVs and explore a wide range of job roles.

Year 7 Unifrog

- Personality & Interests Quizzes
- Careers & Subject Library
- Exploring Pathways
- Identifying Career Interests

Year 8 Unifrog

- Personality & Interests Quizzes
- Careers & Subject Library
- Exploring Pathways
- Identifying Career Interests
- Subject Matching

Year 9 Unifrog

- Personality & Interests Quizzes
- Careers Library
- GCSE Options
- Activities & Competencies
- Know-How Library

Year 10 Unifrog

- Work Experience Management
- Exploring Careers
- Researching Post-16 Pathways
- Activities & Competencies
- Building a CV & Locker

Year 11 Unifrog

- Careers Library
- Interest & Personality Quizzes
- Researching Post-16 Pathways
- Subject Profiles
- College & Sixth Form Searching
- Apprenticeship Listings
- Compare Qualifications
- CV & Personal Statement Tools

Year 12 Unifrog

- University Research & Shortlisting
- Apprenticeship Searching
- Application Management
- Work Experience & Enrichments
- Career & Subject Exploration

Year 13 Unifrog

- University Research & Shortlisting
- Teacher References & Predicated Grades
- Application Building
- Know-How Library
- Locker & Skills Recording

Year 7

- Alumni Talk

Still to come:

- Writing a Personal Statement – University of Lincoln
- Trip to the University of Hull

Year 13

RSHE:

- Lincolnshire Road Safety Partnership – Fatal 5

We're so proud of you!

We would like to wish all of our Year 11 and Year 13 students the very best of luck as they receive their exam results. We are incredibly proud of their hard work, dedication, and resilience throughout their studies.

We are confident that their efforts will be rewarded and that they will move on to the next stage of their journey with confidence and success. We look forward to celebrating their achievements and seeing all they accomplish in the future.

Future U – Careers Fair Year 7-9

Our first Key Stage 3 Careers Fair, held in March, was a fantastic success! Students in Years 7–9 had the opportunity to meet and speak with representatives from colleges, employers, apprenticeship providers, the Army, the NHS, alumni, and many other organisations.

The event also featured a range of engaging activities, including university-themed activities, a “Guess the Teacher’s First Job” competition, and Careers Bingo, helping students explore different career pathways in a fun and interactive way.

The students interacted well and gained a lot from the experience!

Lincoln Bishop
University

Education at
Lincoln Bishop

Year 9 – First Steps Programme

A selection of our Year 9 students visited Bishop Grosseteste University in Lincoln for Step 2 of the First Steps Programme.

Students took part in sessions focused on budgeting, student life and decision making.

To finish the day, students also enjoyed a tour of the university campus, giving them a great insight into university life. They even met Gizmo the campus cat!

A fantastic opportunity for our students to build academic skills and experience a taste of higher education!

Year 10 Work Experience Week 22nd to 26th June 2026!

Last week, all our Year 10 students took part in work experience.

Throughout the week, they developed valuable employability skills, learnt how to respond to unexpected challenges, and gained first-hand insight into the world of work.

Students have had the opportunity to interact with colleagues, build their confidence in professional environments, and explore a range of potential career pathways, helping them to make informed decisions about their future.

Year 10 Work Experience Week 22nd to 26th June 2026!

Projects completed at DS Smith

Our Year 12 students have started preparation already for UCAS applications for 2027 entry.

- Our Internal UCAS deadlines have been sent to Year 12 students (these are earlier than UCAS to allow us to check all applications etc).
- UCAS deadlines have been sent to Year 12 students.
- All Year 12 students wishing to make a UCAS application should now be registered with UCAS and linked to Kevigs with our Buzzword.

For any students taking the UCAT Test, the booking opened for these on 23/06/2026.

Welcome to the Sixth Form

We are pleased to extend the warmest of welcomes to all post-16 students who would like to join our Sixth Form.

Whilst many of our sixth formers are 'home-grown' in that they completed their GCSE courses at King Edward's, we can guarantee that students from other local secondary schools will also be made to feel at home if they choose to study with us. The school's heritage may go all the way back to 1551, but our focus is very much on preparing the students we work with for the future. We have a long history of focusing on the holistic development of our students, which will continue, but with an enhanced programme of additional courses some of which are brand new for the 2025-26 academic year.

Our staff successfully deliver traditional A level subjects to the highest possible level as evidenced by the excellent results achieved by our former students. By blending these well-established routes into higher education with a range of BTEC programmes we are confident that we'll be able to help you to plan a programme of study that suits your needs now and in the future. If you are ambitious and have the drive and enthusiasm to achieve the highest academic standards, our small, exclusive, friendly team at KEVIGS is the right setting for you to complete the next stage of your education.

Mr Gallacher- Assistant Headteacher (Head of Sixth Form)

Applications are now live for 2026 entry into Kevigs Sixth Form:

Students can now apply for K6 via [Lincs Futures](https://www.lincsfutures.co.uk/courses/full-time-course-providers). Students will need to select the [login button](#) at the top and then click sign up tab:
